

DLSU COLLEGE OF SCIENCE CALL FOR APPLICATIONS FOR ACADEMIC SCHOLARSHIP IN THE DOCTOR OF MEDICINE PROGRAM OF THE DLS HEALTH SCIENCES INSTITUTE

The De La Salle Health Sciences Institute (DLS HSI) in Dasmariñas City, Cavite will award two academic scholarships in the Doctor of Medicine Program to qualified applicants recommended by the DLSU College of Science Dean. The scholarship covers 100% of the total fees including miscellaneous and other fees. Recipients shall continue to enjoy these benefits until completion of the degree, provided they pass the yearly performance academic review of the Collegiate Scholarship Committee of DLS HSI.

Eligibility Requirements for Applicants

1. Filipino citizenship
2. No grade of 0.0 in any academic course
3. NMAT score in at least the 95th percentile
4. Cumulative GPA of at least 3.0 (as reflected on the latest transcript of records)
5. Graduates or graduating student in any course in the College of Science who will enroll in the medicine proper program at DLS HSI College of Medicine in AY 2018-2019. (Note: BS Human Biology students should be in their last year in the program, i.e., first year at DLS HSI).

Application Guidelines

1. Applicants must submit an accomplished application form, transcript of records and NMAT score to the COS Dean's Office at WH202. BS Human Biology students must in addition, submit a certified true copy of semestral grade from the College of Medicine of DLS HSI.
2. Applicants who have graduated from DLSU should apply within the same academic year as the academic year of graduation.
3. The deadline for application is **15 June 2018**.
4. Applications will be reviewed by the Selection Committee.
5. The first round of selection will be based on a *modified* computation of the cumulative GPA. Minimum *modified* cGPA grade required is 3.0
6. Qualifiers for the second round of selection will be interviewed.
7. The Selection Committee shall rank the applicants based on *modified* cGPA and interview.
8. Results will be announced on **29 June 2018**.

Selection Criteria

1. Academic Excellence
This will be based on *modified* cGPA. The rationale is to put emphasis on excellence in science, without disregarding the performance in non-science academic courses, all of which contribute to the holistic development of the individual. Computation is as follows:
cGPA in science courses 60%
cGPA in non-science academic courses 40%
2. Interview
Applicants with a minimum cGPA of 3.0 will be called for a panel interview.

Selection Committee

Dr. Glenn V. Alea (COS Dean)
Dr. Mary Jane Flores (Biology)
Dr. Rodolfo Sumayao, Jr. (Chemistry)
Dr. Arlene Pascasio (Mathematics)
Dr. Maria Carla Manzano (Physics)
