Please return a copy of this form to the Office of the Vice Chancellor for Lasallian Mission and External Relations  
Thank you.

Lasallians on the DOT (Definitely on Time) is a De La Salle University campaign to strengthen a culture of punctuality and honesty. The program is being undertaken in response to a memorandum issued in September 2008 by the Commission on Higher Education, which urges higher education institutions in the country to support its Project W.A.T.C.H. (We Advocate Time Consciousness and Honesty).
